15th October 2025

Dear Parents and Carers,

On **Wednesday 5th November 2025**, Year 5/6 have been invited to The Lakes School to launch their exciting new Maths project — **The Tenner Project**. This initiative will see the children working towards planning, costing and marketing a small business.

The Lakes School is kindly facilitating this project. We ask that parents **drop children off at the main entrance of The Lakes School at 9:00am**, where they will be met by their Year 5/6 teachers alongside staff from The Lakes School.

Following the morning's activities, the children will walk back to St. Martin and St. Mary C. of E. Primary School in time for lunch and will therefore have their usual school lunch or packed lunch.

Please ensure your child is dressed in full school uniform, wears sensible footwear and brings a waterproof coat. They may also bring a snack and a drink in their bag for the morning.

Thank you for your continued support.

Year 5/6 Team

Permission Slip

I give permission for my child, _____, to attend the Tenner Project launch at The Lakes School on **Wednesday 5th November 2025** and to walk back to school afterwards.

Signed: _____
